

Tee Up For Tim

JULY 8, 2011

1:00PM SHOTGUN

On August 17th, 2009 Tim Doherty was at his favorite watering hole with his favorite people, when he suffered a massive brain aneurysm. Currently, Tim's overall health is good, although his short term memory issues continue.

This years outing is at Saddleback Ridge in Solon, where Tim was the PGA golf professional for eight years. Proceeds raised will go to *On with Life* in Ankeny, and *Pathways* in Iowa City. At least \$40.00 of each entry fee, and the entire \$100.00 of every hole sponsorship, will go to these two facilities that have been vital to Tim's recovery and quality of life.

Thanks in advance for your support and participation.
